

WM open position for international students
Technology campus with WM and CW great idea - build on City Strengths
(Programs) Free classes at WM college
With Global Research Institute is hosting larger global conferences. maybe co-branding or hosting big WM events?
Free games (WM) for WJCC students
Education opportunities beyond WM like trade schools 4 non college bound
Work with WM for Motoka and Kaplan concerts access for external groups
York County- more child care
Wata - More buses
WM - more events for locals
Interacting more with WM with the public schools
Would be good to see library put more into focus
Make the library more user friendly for older people. Simplify computers. More and tourism programs
Airport - Museum at the airport better restaurant (updated)
WRLIB - culture sessions
Colonial WBRG - more access to events later events
Gloucester or VIMS partner (a shuttle?)
More local connecting flights from local airports
WATA should run later 12 am
Reduced healthcare for people that can't afford it
WJCC schools to have more events that support our schools
Train Stops for PHF + RIC from WMSBG
Airport - Direct transportation to Richmond + NN/WMBG airports
Mobil library to neighborhoods
Health care - affordable care
WJCC school - camps
Mega region! - Create a better multi-(modal) transportation network to more easily connect Norfolk, Richmond, etc.
Great Libraries need one more in the middle
JCC
Library - more sites
CW - include more counties in the development of CW
WJCC school - more security
WATA - more payment options
York County - more ideas
Free library book stations in neighborhoods to encourage reading
Easier parking lots at CW
JCC - Wmbg needs JCC
Airports - we need better air transportation for tourists
WM - WM in the reason Wmbg exists
I'd like to see the library programs better publicized to those who could most benefit
James City Co - more co-mingling of the communities
Mega region - passes to RVA museums more access to airport
Need more shops in CW
More Teacher in WJCC
Less bldg in Williamsburg
Military family support
Swimming Pool
Wish there was better healthcare with people who are (???)
Parks Service
Jamestown
Thomas Nelson
WJCC Schools

(NON??) in the surrounding area Yorktown NSA, Camp Perry, Ft Eustis
More service (aspects??)
JCC Schools - prayer option
Community - History true history

Colonial WMSBG - offer stuff to retired employee
Health more things to handicapped people
You done great with stuff to do in the City
Colonial Wmsbg - more African American Programs
WJCC Schools - make learning better
Healthcare - better plans
James City County - easier to - from transportation beyond bus routes
Colonial Williamsburg - maybe more historical festivals throughout the year
Easy web info updates regularly
Library - Help seniors use computers
Jame City County - Rec discount for seniors
Colonial Williamsburg - more fun events
WM should open a charter school for kids throughout the City, James + York county - really the entire region
Coop Williamsburg Library w/ swen
Get college more involved w/ city
Help CW manage real estate
Better Connections to Richmond & VB
Mega Region/ WM/ CW outreach w/ local watershed non-profit to do outreach w/ community on h2o quality school programs on h2o macroinvertebrates college lectures, free educational opportunities for lifelong learning
Enviro outreach - watershed - also w/ airport
Reconsider heavy development at cost of environment and habitat
More town/gown community programming there seems to be (to a new resident) that there is a lot of partnering with JCC not sure what could be added I dont see social svcs opportunities?
More programs w/ Jamestown and WM continues programming w/ CW. Enjoying the programs you have so far
Library - ASA meeting place and a place to learn and be informed
CW- The highlight of the area, a national treasure
Jame City - to pool resources and coordinate services
WM leverage expertise enthusiasm to improve city
Library Gem Keep it vibrant
Healthcare better programs for disabled
Library - good programs for retirees
Healthcare - Help for disabled
JCC - Better joint proram
A makers faire/festival that celebrates the diverse makers of our past and today/future
WM, CW & regional airports
Library - childrens programs story time/craft time
(Seldols??) - using the history the city offers to teach our children
Airport - more flights cost please/more destinationations
WM - growth into city needs some control
JCC - Overlap & proximity makes this a high priority
Schools - City needs to encourage more students to bike and walk to school
Airports/Healthcare/CW - a lot of people move here because of access to great health care airports can help point people to the highlights of the city - colonial Williamsburg can do more towards authenticity & inclusion
Sponsor healthy living activities/ talks for residents/ (walks, nutrition, etc.)
WATA - great for service workers like me
WB Library - more advertising + resources for them use their theater
Mega region - couple our attractions w/ VA Beach for tourism
Fountain for Bicentennial Park
Would love to see community bikes or scooters
A splash pad or city park with water feature
I think the City needs to reduce its relationship with CW
CW has become a top (leading??) corporation that has lost its way
Leverage the youth and vibrancy of WM
The Muscarelle Museum and PHI BETA KAPPA Hall are sorely missed
Moe public concerts
Public PA systems for daily Announcements
WRL
WATA
WJCC Schools
Love W! Keep up getting great people
More school programs
Better healthcare
Free WATA for students all students, better stops
WJCC - better before/after care
Schools - more school clubs
Airports - need easier access for tourism, conferences, remote workers
CW - feels disconnected. what do they have going on? How can we help with tourism?
Better coordination of the bus schedule with neighboring areas
Better communication between the social services agencies
Health Care - (for diabetes??)
Library - more computers in Norge
CW - Fun there
New Partner Surry County - located just across the James River, wouldnt it be great if WMBG could partner w/ Surry on affordable housing
Bike Trails
Continue town & gown with WM
Try to get your innovative energy creative initiatives to coordinare with CW
Use JCC's environmental division to shore up W'burg's programs in watershed protection
Colonial Williamsburg - Start telling truth about those times
WATA - More busses
WJCC - More outlets such as suicide prevention, Big bro/sis
WM - Volunteer base
Surry County (new partner) - for extension of bike trail across river
Health Care
Airports - need easier access for tourism, conferences, remote workers
Mega Region
Strengthen the connection w/ Greater Richmond area.
So many natural (affinities??) vs. not so many w/ beach area
Shuttles to airports
WM - Use new PBK building so there's always something going on
WM - advertise Osher Institute for residents
Shuttle to airports PHF
Continue working w C/W for events like Christmas, New Year, 4th July

Impliment plant based restaurants
keep the airport alive
keep funds for library
I went to WJCC school because i want to stay in it
keep your city clean initiative - give people a program to pick up trash on sides of raod
increase # of trash receptors
I 'm very skeptical about developing this area into a "destination" especially increasing traffic
The schools are important to engage with the library
Work with W&M students to volunteer in community get public to support W&M sports, theatre, etc
Healthcare - very accessible
Library - love everything
Aiport - shuttle to richmond?
Road palaces for the people + agree that in wmbg, the library pre-pandemic was a hub of the community - as are W&M + CW
Mega Region - sharing regional resources, gaining efficacy + other economic advantages
Healthcare - free nursing clinics, presentations, exhibits & demos to promote individual & community health
CW - Working + coordinating more with the largest source of the City's revenue
coordinating with non-profits
WR Library - facilitate on-line applications
Airport - increase economical transportation
Continue pay increase for school staff
New elementary school
Library, WJCC Schools, Colonial Williamsburg - public programs & events
WATA - More routes/frequency
Airport - Transportation
Mega Regions - Train
W&M - financial help for local students
Mega Region - routes amont VB & Richmond
Airport - more locations to fly into
More minority programming
More women + minorities in leadership
Have more books in the library
Colonial
Health Care
WJCC Schools
My favorite thing to do is go to my grandparents and go to Virginia Beach
Play games at library
Libraries could always yse more funding and ability to host events/clubs since they're important community resources
WATA please more stops and more routes
Push Colonial Williamsburg to invest in historical aspects/research instead of trying to become "Disney"
Stronger partnership with Jamestown
Would love to see more funding + programs w/ the library
Would love expansion accessibility & more public awareness of WATA
More pedestrian friendly pathing
More public transit funding + coverings and seating for bus stops
Funding local artists for murals + public art pieces
More interconnection and coordination for transportation + services with other area jurisdictions
WATA "trolley" back
Library more concerts
I chose Colonial Williamsburg, WR Library, William & Mary because I like them and our partnership with them
I love JCC Library! We need more oppportunity for our small children

WATA - gove assistance for rides for people who cant afford the fair

More bus service

More bus stops for seniors in all communities

WATA shold include more frequent/better routes and bike lanes would be good to have a bike share service

And the bookmobile to come in the communities

More library programs for kids

Libraries are important

More activities at the library

Library is great!

More Summer jobs for kids

More activities for the children

Health programs

Healthcare - free check ups for homeless/shots

Breaking down healthcare for people 64 and above

JCC

Clubs

Strengthen neighborhoods as partners

Strengthen diverse local business communities

Consider interactions with non-profits +/- or faith communities

More youth programs to keep them out of the streets

The residents are very important

New Blayton Building

Splash Pad

Playground in downtown CW

James City County Schools more pay for bus drivers

More safety systems for the schools

William and Mary - tutoring

WJCC Schools - less rules

WJCC Schools - more activities

William & Mary mentor program (bring back)

Scholarships for City kids to go to W&M

Coordinated calendar of events - pre + cross segment planning

Schools

WJCC Schools - making it safer for kids

Partnership between W&M + WJCC Schools (Interns, field trips, speakers, events, etc)

Making connections w/ the schools to create the best education for our youth!

More mental health provides at CBH

Healthcare provide for all

I think we should have more connections w/ healthcare. Especially for need families

Healthcare connections w/ educational classes for new parents, mental health, and disease management

Team up City services with W&M makerspaces

William & Mary - more places to hang out

William & Mary - continues community support

William & Mary - more availability to programs

Connecting w/ W&M for better engagement

William & Mary

Our library is awesome! so many great programs - keep it coming! Would love to see a park/playground or splashpad or other kid destination in that area

WR Library - begin younger volunteer system

WR Library - i love going to the library ...(?)

WR Library - bigger more books

Library - love the programs

WRL - continuing to provide WRL is funding to get new technology. It's the future!

Library

WATA - our City's transportation helps residents and visitors connect to us. Providing them with more funding is essential to better service

CW - why we moved to town

Define better "Airport Authority" w/ PHF!

put more efforts into the airports (regional - PHF!)

Mega Reion

Mega Region - that connects us to larger areas & makes Williamsburg a more attractive place for businesses + residents

Mega Region - Cite Rall

*Support with area churches/red cross

Expand Bus. connections to yorktown + jamestown

Have Natl. Park Service as a partner

Disability Opportunities

More connection with Richmond and VA Beach in sport activities, social activities, school activities

We need a theater! And more support for small arts groups, esp. those that are "homeless"

Consider establishing more private/public partnerships - throughout the City + elsewhere

In addition to partners listed, consider what other cities are doing - such as new businesses, non- profits, etc.

If it wasn't for Michele + the team we wouldn't be where we are today! YAY!

JCC - Sports complex improvement (ICE RINK)

New partner - Camp Peary

Library , W&M , Mega Region - Volunteer database

Higher (?) pay for public school teachers more interactive activities (?) for community (?)

Increased train service

Wata - extended bus schedule

Wata - need earlier local transportation to the amtrak station because early train at 5:30am means using uber/lyft which is very expensive at the hour

More on Natural Medicine

Healthcare

Healthcare - affordable health insurance

Healthcare

Healthcare - affordable health insurance

Health care - needs reform

Healthcare - we can never have enough great healthcare more urgent care locations + specialized same day care options

Healthcare for all

Work with WJCC schools

WJCC Schools

Focus on schools

Invest in our kids schools

Build relationship with York County - partner Programs

Colonial Wbrg - preservation of the culture

Work with Colonial Williamsburg

Colonial Williamsburg

CW - Remember all of our history

Colonial Williamsburg - art fair /music fair

Colonial Williamsburg

CWilliamsburg

Colonial Williamsburg - More educational partnerships/programs

Colonial Wmg: Transportation opportunities for seniors w/sight mobility, hearing deficiencies to see some shops, activities, exhibits, etc. I love it all but I can no longer walk far but are not chair bounng yet.

City sponsorees transportation to regional airports

Airports

Airports - must be nice if we have airport that is active in the City

Airports

Airports - need to have airport since we are tourist spot

Airport - need more flights close to this side of the water

Airports, access to airports

Library

WR Library - book fair

WR Library

Library

WRL

The libraries are awesome here!

William & Mary

W&Mary

Ric/Va Bch

Mega Region

James City County

James City County

Additional communtiy opportunities to Richmond/Newport News

New AirBNB

Fred Liggim and 3E restoration for housing/assisting the homeless in the community

Not knowing about county security

Local Activities

Love the partnerships between W&M and CW. Love the publication on TV shows

York/Williamsburg collaboration

York County

Our City can operate best if we invest in inter-relational matters (neighboring James City)

Airport - more flights

Airports - have more flights available from Newport News

Make healthcare more accessible

Healthcare

Healthcare

Healthcare

Healthcare

Williamsburg Library is always great to visit the concerts are so fun!

WR Library - its great!

I love the Library :)!

More library events

The buses should have longer hours

We really need better public transport. I how between busses (and their unreliability) makes public transport unrealistic to use to commute to time-sensitive engagements (like schools & work)

WATA gives fundamental core access

Better public transportation to healthcare ex. sentara hospital is hard to get to

WATA - being free to W&M students is extremely helpful and should be advertised more

William & Mary is a huge boost in the economy for local businesses

William & Mary

I chose Colonial Williamsburg, W&M, and WATA

Tie in to more distant schools to show them living history in action - middle high schools

Ban Horse drawn carriages in Colonial Williamsburg!

I feel like Colonial Williamsburg is really siloed and should be integrated more into the City

Colonial Williamsburg - this is part of what draws people to the area so increasing the relationship good neighbor pass is great!

Colonial Williamsburg - more outdoor activities, like amazing race!

Colonial Williamsburg

Military

Encourage more interaction between college students & CW to include families of W&M students

Ensure that you always remember the value of having all the students and what they bring to the table

W&M / WJCC - parterships between these volunteer opportunities
